**New cohort begins Summer 2016. Apply by April 1, 2016!**

## **Advantages of an Iowa State cohort!**

Iowa State's acclaimed preparation programs are continually looking for talented educators to join us for this exciting new leadership opportunity. We have prepared thousands of school leaders and have deeply loyal alumni all across Iowa. You could be the next member of our **statewide leadership network!**

## **CAS Highlights**

- PK-12 Superintendent & AEA Administrator endorsement
- 24 month program - 30 credit hours
- Meet one weekend a month during fall and spring semesters; days during summer
- Instructed by Ph.D. prepared practitioners
- Instruction focused around "dilemmas of practice" centered on real world experiences in application of theory

## **Classes that fit your schedule**

Assignments and class meeting times are intentionally **designed to meet the needs of working educators.**

## **Exceptional teaching**

Our instructors are **deeply rooted in issues of practice.** Learn from some of the most knowledgeable educational leadership faculty in the state. Graduate from the program empowered to lead, with the knowledge and techniques to facilitate effective, long-lasting change in schools.

## **Affordable tuition**

Tuition costs at ISU are \$452/credit hour comparable with other Iowa universities.

## *Making a Difference*

## **Points of PRIDE**

- A widely recognized and innovative superintendent preparation program.
- A responsive, award winning faculty to meet the preparation needs of aspiring superintendents and central office administrators.
- Convenient, cohort-based learning communities for Iowa educators.
- Synergistic connections with major leadership associations and educational agencies in Iowa, the Midwest, and the Nation.
